Why are you  
here?

Oh, that's...

Don't

I never knew someone  
was making out with  
Handy hands.

I tried to warn  
the man and then  
and found you here

Yes

Yes...

She said something  
about the Sub...

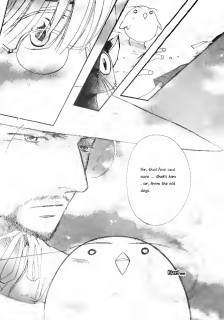

There must be a  
reason she did that  
to me.

Oh, I see.

You  
should  
wait a longer  
time!  
Givigne!

I have to find  
out.

He, that face and  
more ... that's him  
... or, from the old  
days.

Donna B.

I am not gonna go  
any more  
because you are  
a girl

I said one thing  
and another one  
appears ?

I am not gonna go  
any more  
because you are  
just a friend.

Well... it took me  
a long time to  
prepare for this  
moment and now ...

This is my  
precious time.  
You are not  
going to ruin it.

Oh sorry

You are  
just not.

What ?  
Are you talking  
about me ?

You !

What did we do ?  
Why are you so  
crazy ?

What ?

Get away  
From here !

Get away !

Hey !

Get away from  
Chi-Sob !

What's  
going  
with you ?

**Stop !**

She took her  
attention to  
her sword.

What?

Someone else.

How do  
you...

I was going to give  
up if it were just  
another girl, but  
I couldn't give up  
after finding out that  
it was a guy!

What?

Don't pretend like you  
don't know, Miss Githyian!  
If it weren't you,  
everything would have  
been okay!

Abba -

Something  
must have  
gotten into  
me... Abba!

Abba -

A misunderstanding -

What happened  
Ange?

I am sorry  
I will be fine.

What is it?  
You let go of you  
several times, but  
You had enough!

What is it?

Don't be so  
tough on  
him! You  
ought  
again, too  
seriously!

What?!

11

The weather has  
been hot lately  
I guess summer  
break is just  
over.

I wish I could  
have taken  
the job though.

Well, I guess I can't blame  
the owner for firing me.  
After all, it was a bloody  
mess.

... There was  
another with her  
who was it?

400-0

... Ahh?

What was that?

Even when he's depressed,  
a lot of useful things are  
happening :)

Hey, duck, are  
you there?

Like the former  
the stuff he  
keeps telling  
me

I've answered your  
call. Just give me  
your address, sir

I called you  
to see if you  
were still  
listening

A, I apologize.  
It won't happen  
again.

Please don't  
lie me.

Min P

Please  
watch me

Get it

Look at this cat.  
He's drooling at that  
chick. He wants to  
eat it!

Look at you,  
dirty and all  
what a little  
creep

You ... ?  
Hong-Gong?

Never !  
Why didn't you  
tell me she was  
here, too ?

Witch !  
[Get go  
of me !]

Get the hell off me !

You wicked witch !

Even thinking about  
how much she should  
pay ...

Get off me !  
Don't come closer !  
Get away !

I was wondering  
you know, that  
the reason you  
like a guy is  
perhaps you  
can't  
perform ?

Shout

Leave the poor cat alone, you jerk!

What?  
That cat was  
trying to eat  
that chick!

And then Shi Hyoun!

What could you have with  
that cat? Don't you know  
how I feel about you?

Don't ignore  
me!

가려워  
하

Seriously...  
you make me  
worry for  
nothing.

Stop  
worrying  
unnecessarily.

Well, this is nothing  
really. I mean I got  
kicked by horses before.  
Compared to that  
this is nothing.

What?!

(What kind of part  
did you see? )

Well, I didn't  
have friends like  
you guys back  
then.

And I'd run into  
troubles every  
single day.

I got hurt a lot  
and was sent  
sometimes to  
hospital, was  
my home.

I was scared at  
first, you know,  
in the end stuff  
that when I got used  
to it, I started to  
feel nothing about it.

So...it's fine now.

Hg. grrr.  
did you know that  
that chick is crying?

I wonder why  
it keeps happening  
to you

We tried... whenever he  
shows up, there is a force  
field around them.

Care  
break it

Well, speaking of  
that, I think I will  
become a politician.

What?

What do you want  
to become by the way?

I haven't  
thought about it.  
My parents  
want me  
to become  
either a  
doctor  
or a lawyer.

184

Doctor would suit you.  
You're top grades  
also.

And I would really use  
you when I get back.

Where ...

Doctor, it is there ...  
I guess?

If it wasn't for me,  
I might have  
forgotten about  
the exam.

I don't want  
to lose the

Suddenly my dream  
is feeling wrong

I guess I must  
have been really  
busy since I  
forgot about  
that.

Is this that

Chapter 2

Should we go  
Back home?

Good  
idea.

Oh...

Mag, you look  
really cute.

We agreed that  
I have strange  
feelings for you.  
I want you when  
I don't see you -

And when  
I do see you,  
I become  
really happy.

Maybe  
we should  
be together  
from now on.

Maybe, we  
were a couple  
in our former  
life?

What...?

What, do  
you have  
a trouble  
sleeping?

Is something  
troubling  
you?

It sounds...  
that your ears  
ring in your  
dream life...

Are I silent  
are you  
singing?

You are  
silent?

If someone  
close to him  
mentioned a  
woman...

Did he let her  
dream go or  
take him in?

You had a trouble  
and had a hard  
time.

But you did not  
let him go to  
the end.

You had someone  
who was a close  
friend reported for  
his crimes. You wanted  
him to turn himself  
in but he did not,  
so you had to  
take him in.

I guess we  
were over  
then.

Mr. Sir

You visited him every  
single day to talk to  
him. His crimes weren't  
serious, so he was released  
soon.

He took your  
great dedication  
and released his  
crimes.

His beloved friend  
you watched closely.

And you two were  
friends once again.

안녕, Pi

What's that for, Jang Ji?

He shouldn't  
have!

Are you  
withdrawing  
already?

No, I am E.

I won't tell him.

But I cannot let  
this just go by.

It seems... there are  
more involved in this...

You can guess that  
not only a girl?

How could you?

If you did expose  
me, I'd be most  
thankful to my  
good friends

Then I'd start  
thinking that why  
I couldn't date my  
crush better

Then I'd start  
to think why  
I did what I did

And would  
start to wonder  
if you were  
disappointed in  
me

In the end, I'd  
realize that the  
actual fault is in  
me.

And you'd  
try to help me  
on my way you  
can.

Because  
nothing will change  
that we are friends

We should never rely on him to help with...

I suppose we  
could finish here  
to turn himself in.

Or we ignore  
him completely.

We can't  
ignore him.

If we do ignore  
him, he's gonna  
do it again.

Should a good  
person have job?

Oh?

Don't worry,  
it's nothing  
serious.

Middle school

Full out if  
it's too hard,  
okay?

CLAP!!

You are really  
a hard worker.

Keep up.

There has got  
to be a way.

Oh?

I do have  
a good idea!

There  
space  
me!

ALLO

That is how  
You don't talk  
to me directly  
anymore.

Listen up!  
Though we  
will change  
the course  
of fate...

There is a  
door... I want  
to ask from  
you

A mission.?  
For us?

Whatever  
it is, we  
will do it!

Do you  
know your  
sin ...

AH  
AH  
AH  
AH

What the  
hell ?!

What kind of  
talk just is this.

Know your  
place !

We are  
from the  
Heavens !

If you fail  
to realize  
your own  
place,

You will be  
punished by  
the sky !

Once you are  
grasped, you  
will be cursed

Your image  
will continue to  
suffer from your  
curse

For you, you will  
always suffer from  
lack of sleep. You will  
never do well in exams.  
And you will not find  
your number, until  
you get very old.

When you do finally  
get married, you will  
be asked to be  
deceased by your mother  
on the day of your  
wedding.

If you don't have growth in today, you will not  
see growth again!

What is it?  
That sounds  
serious!

If someone is  
helping you,  
let me know

I will do what  
I can to help  
you

Since you seem  
very cooperative

I will get to  
the point  
straight

Actually

There has been an  
incident where our  
school's some papers  
were leaked

Look - ?

Has anyone seen it?

Yes

I know

Yo, how are  
you sleeping  
now?

I guess you mentioned  
it matters now? Let  
us have a peek.

Everyone  
gathered  
together  
again!

Stop making  
the hard part  
easier!

AAAAAAAAAAAAAAAA-  
I don't care!  
I don't care anymore!  
I don't care about  
anything! I'm  
leaving!

I'm not  
getting involved

Thanks to that, they  
aren't doing well recently.

I hope this gets on their nerves.

The next day -

The exam has been postponed  
for 4 days

There has  
been a leak

Oh?  
Why?

Yahou,  
I didn't  
study at  
all

He must  
have given up

I've never  
heard  
it going on  
before.

*We did it !*

This is - just beginning
